

Moore & Co. Veterinary Services Ltd.

is proud to present our

15th Annual Equine Seminar

"Infectious Diseases and BioSecurity"

and Official Imaging Center Opening

Saturday - February 6, 2010

10:00 a.m. - 1:00 p.m OR 12:00pm - 3:00pm

Location: Moore and Company Veterinary Services

Please note that the format for this years' Seminar has changed slightly. The Seminar will be held at the newly expanded Moore and Company Veterinary Services location in Balzac. We will be running two identical sessions, one morning session and one afternoon. Lunch will be served from 12:00pm-1:00pm. Please indicate which session you will be attending when you RSVP, and whether you will be attending lunch. Thank you.
